Sir:

of Correction

In reviewing the above-identified patent, an error was discovered therein requiring correction in order to conform the Official Record in the application.

The error noted is set forth on the two attached copies of form PTO-1050 Rev. 2-93 in the manner required by the Commissioner's Notice. Specifically, the listing of related applications is erroneous as there is now a newly filed pending continuation application for this Reissue patent.

No.: RE 38918

Please charge any shortage in fees due in connection with the filing of this paper to Deposit Account 501946 and please credit any excess fees to such deposit account.

Respectfully submitted,
